Who we are

CYPHER Learning exists to give learners the power to succeed in a rapidly changing world. Trainers, learning and development (L&D) pros, HR pros, and educators get everything they need in one platform to deliver faster, more personalized, and better learning outcomes

We provide the only **all-in-one AI learning platform** that is easy-to-use, beautifully designed, and built to power billions of learning moments every day.

Create courses faster. Train and teach better. Learn even quicker.

Experience our "**just in time, just for you, just the way you want to learn**" approach that puts people first.

Typography

Logo and tagline

- **Reversed logo**

The two-tone version is the preference. Use full white when more contrast is needed with the background colour.

- **Tagline**

We do not have a tagline version of the logo.

Reversed on purple

Reversed on green

Emblem usage

- **Presentations**

The first and last slides of all presentations use the full logo, the rest use a small emblem in the top right corner.

- **Social media**

Our preference is to use the full logo on social media posts, but where space is limited the emblem can be used.

Emblem - Primary

Green emblem: Use on white backgrounds

Emblem - Reversed

Reversed emblem: Use on dark backgrounds

Imagery

- **Color:** Don't use dull, sepia or images that have filters that make the coloring look off.
- **Stance:** Make sure the person doesn't look too staged, forced, overly excited or goofy. Don't use images of people pointing or smiling for no reason.
- **People:** Mix races, genders, shapes and sizes.
- **Devices:** Don't use people that are only looking at devices - mix people looking at the camera and people engaged in a learning activity too. Don't use people that are using dated technology.
